

**2017 Reading Plan for  
Psalms: Lessons in Prayer  
by Eric Elder**

Here are the readings for each week, plus the psalm that I will be highlighting at the end of that week in my weekly messages on Sundays. This plan is designed to help you read through the entire book of Psalms by the end of 2017. You can read one psalm a day for five days each week, or read them all in one day for that week, or some other combination. This plan gives you two extra days per week to take a break or catch up, with a few weekly breaks built-in along the way to help you complete the entire book by the end of the year.
